COMMERCIAL INTELLIGENCE Hongkong, Monday Evening.

Everything appears to lave combined agrified the Drug market—charge of native degrand, dightness of the market courtex courtes. pelination on the part of the Briks to make advances, a further rise in the entant Exchange on India, and a possibility of its roling still higher, together with the anxiety on the part of angentators to clear themselves out in time for the three weeks' time bargain operations, falling due about the 27th. All these have tended to lower the prices, and transactions in new Poton ure reported at as low us \$925, and it is difficult to enteniale how low it will still rule. There appears to be nothing at present to arrest a further desline but a good native demand, and a strong disposition on the part of the Bolls, not only to withdraw from the number, but to make calls for druge. Patra of the 6th Sale to arrive on times har been placed at \$6399 and at \$6474 against bargain chop strips with \$75 on cach chest curnost in mey, The following may be taken no the closing rates - New Paten, \$625 to 2034, New Benaries \$615 to 620.
